

Purpose

The purpose of this policy is to demonstrate Menzies commitment to environmental protection and sustainability, with a key objective to consistently meet or exceed best environmental practice by not causing harm to the environment and thereby protecting biodiversity by supporting long-term ecological balance.

Responsibility

This policy must be adhered to by all Menzies employees and other representatives acting on behalf of the Company, as environmental protection is a fundamental responsibility of all parties.

Overview

Menzies dedication to responsible environmental management is demonstrated via the implementation of a management system which is compliant with the requirements of ISO 14001 at selected work sites and the Victoria Office site at Glenferrie Road, Malvern.

Menzies is committed to operating in line with best environmental practices across all of our offices and site locations. As part of our management system activities, we will:

- Review the nature, scale and environmental aspects of our activities and services on a regular basis
- Recognise the risks and hazards that contribute to damaging or threatening the wellbeing of the environment and all living things (such as the ecosystems in which they exist)
- Plan, monitor and revise (as applicable), our operations to ensure the continual improvement of our environmental performance and the prevention of pollution or potential risk of damage to ecosystems
- Identify and comply with any relevant environmental legal and other such requirements as applicable
- Adequately control the performance of our activities to ensure that our environmental impacts are kept within acceptable levels
- Ensure that our environmental objectives and targets are set based on our previous performance and reviewed on an annual basis as a minimum
- Communicate our environmental commitments to our staff, customers, contractors and suppliers and ensure this policy is available to all interested parties
