

Quality Policy

Purpose

The purpose of this policy is to outline Menzies objective to deliver the highest quality services to our valued customers and achieve best performance standards across all areas of our operations, in line with our strategic direction to grow our business and become the leading organisation for cleaning and other related facility services across all industry types.

Responsibility

Quality is a fundamental responsibility of all employees within the organisation, including contractors and representatives acting on behalf of the Company.

Overview

We view quality management as essential to the long-term success of our competitive position, reputation, client and employee satisfaction.

To achieve our policy objective, we have implemented a Management System throughout the Company's operations that complies with the requirements of ISO 9001.

The primary goals of our Quality Management System are to:

- **Provide** a quality service that continually results in client satisfaction
- **Recognise** our obligations and needs of our clients, employees, stakeholders and interested parties
- **Identify** opportunities to continually improve the Management System – what we do and how we do it
- **Detect** and prevent any possible non-conformance through continual self-assessment, effective internal and external communication and review of our management system.
- **Enjoy** the benefits that achieving all of the above will bring

Employees are encouraged to share this commitment to achieving the satisfaction of maintaining our Management System, thus ensuring our clients continually receive a high standard quality service.
